

# Aloft

A lightweight strategy game about hot-air ballooning. During the game, you will oversee a mass ascension and try to ensure that your balloons end up in the best positions in the resulting formation.

## Overview

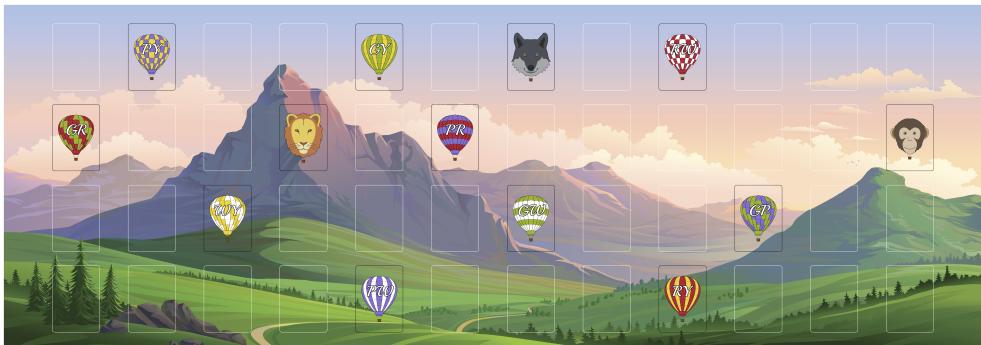

This is a competitive game for one to five players. It can be played in about thirty minutes and is intended for people aged eight and older.

Aloft features innovative mechanics that are tightly coupled to its distinctive theme. As you play, you will create a beautiful picture reminiscent of what you might see at a real-world balloon festival.
