

Aloft

: 1-5

: 8+

: 20-30

Aloft is a lightweight strategy game about hot-air ballooning. During the game, players will oversee a mass launch and try to secure the best positions in the resulting formation.

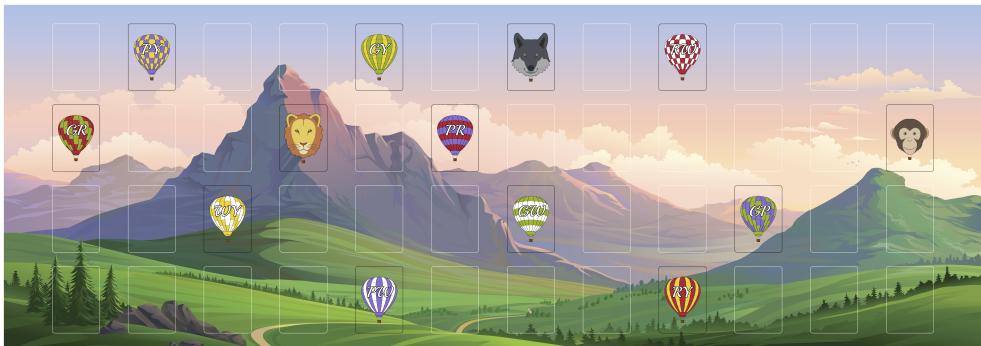

Features

Aloft's innovative mechanics are tied to its unique theme, allowing players to create a beautiful picture reminiscent of a real-world balloon festival.

Throughout the game, players will need to try to block their opponents' balloons while advancing their own.
