

Aloft

A lightweight strategy game about hot-air ballooning. During the game, you will oversee a mass launch and try to ensure that your balloons end up in the best positions in the resulting formation.

Overview

This is a competitive game for 1–5 players ages 8 and up. Playtime is about 30 minutes.

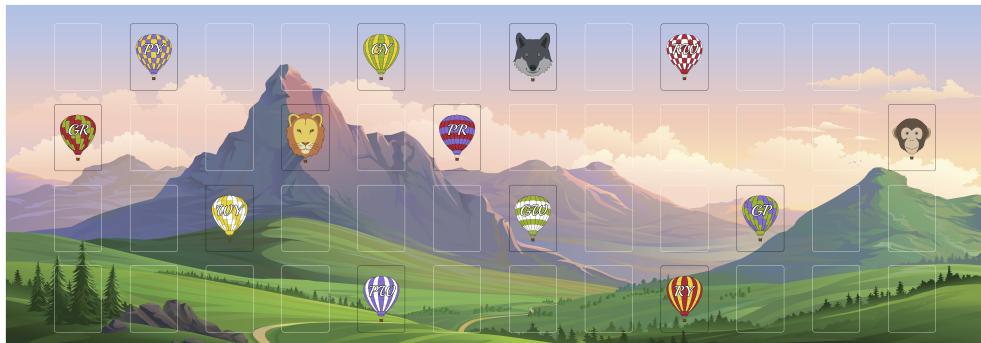

Throughout the game, players will need to try to block their opponents' balloons while advancing their own.

Aloft's innovative mechanics are tied to its unique theme, allowing players to create a beautiful picture reminiscent of a real-world balloon festival.
